

IFLEX XTREME | 22W

2700k | 3000k | 6000K

iFlex Xtreme is a brightest LED strip product. It uses 130lm/w 5630 Osram LEDs mounted on a triple rolled flexible copper conductor with on board constant current ICs to regulate temperature and prevent damage.

Key Specification

LED Density / Qty/m	126
LED Chip Type	5630
Power Rating	22W/m
Luminous Flux	Approx. 2800lm/m
Colour Rendering (CRI)	>90
Cutable Length	Every 50mm
Power Input	24V
Beaming Angle	120 Degree
Dimming	Dimmable (Optional)
Waterproof	Non-Waterproof
Strip Width	12mm
Warranty	3 Years Warranty

ACCESSORIES REQUIRED

- Power Supply
- Diffuser Profile
- Joiners
- Extended Tail

Product	Colour	CCT	Brightness	IP Rating
2700k	Very Warm White		2800lm/m	-
3000k	Warm White		2800lm/m	-
6000k	Cool White		2800lm/m	-
