

This sleek, recessed corner channel features a narrow light-emitting surface engineered for a no-glare install, when paired with our range of COB 5mm LED strips to deliver a flawless, continuous glow.

Available in 1m and 2m lengths with high-quality Aluminium, Gunmetal Grey, or Black finishes, it blends seamlessly into modern architecture. This profile is widely used to elevate joinery and retail spaces, including cupboards, wardrobes, shelves, bookcases, wine cabinets, and commercial showcases.
